Enter nicknames for your accounts that you can easily identify. These nicknames will be used throughout the online banking system only. The # and Type fields indicate the number of transactions or number of days of transactions that is loaded on the Account History page. The Order field will be used to determine the order in which the accounts appear on the page, subject to the grouping of accounts by the type of account.

Order	Account	Description	Display Name	#	Type
1	CHK-40	DIRECT CHECKING	Everyday Checking	200	Items
2	SAV-00	SHARE SAVINGS ACCT.	Emergency Savings	20	Items
3	MTGE-80	FXED RATE	My Mortgage	50	Items
4	CRED-51	HUECU MASTER CARD	HUECU Mastercard	50	Items

Here's what you do:

- 1 Click "Account Settings" under User Options on the left-side menu
- 2 Enter your desired account name in the "Display Name" field next to each account. Your Display Name will override the "Description" and/or Account # wherever the account is listed throughout the site.
- 3 Change the numbers in the "Order" fields to customize the order in which your accounts display in various lists and menus throughout the site.
- 4 Use the "#" and "Type" fields to customize how much history is displayed on the history screen for each of your accounts. You can set this to display a certain number of items or all transactions for a specific number of days.
- 5 Click "Submit Changes" at the bottom of the screen to save all of your changes.
